CONVENTION GUIDELINES

1. Each group **MUST** provide at least one (1) counselor for every eight (8) youth that register.
2. We urge all conventioners to be prompt in attending the sessions as outlined in our schedule. Plan to complete your registration by 6:00 p.m.
3. Damages or theft of items in rooms of the hotel will be billed by the hotel to those registered guests.
4. Possession or use of tobacco, alcohol or drugs is forbidden and are grounds for dismissal from the convention without refund.
5. Guys and girls are housed separately. To make sure there is no confusion about this, no one is to enter the room of a member of the opposite sex for any reason. This rule **must** be enforced.
6. We **do not** want practical jokes or jokes directed against another person. We urge all conventioners to behave themselves with respect and dignity while having a GREAT TIME!
7. It has normally been our experience that young people respond very positively to our guidelines; however, if discipline should become a problem, we will not hesitate to consult with sponsors or youth pastors. If we are still unable to remedy the situation, a call will be made to parents or guardians no matter what time of day or night. Parents are very understanding and this has proven to be a very effective method of helping our conventioners be cooperative.
8. Please monitor, help with offerings, and *clean up the section your group sits in*. Thanks!
